Quilt Description:

(Pattern name, blocks incorporated into quilt top, colors... i.e. red, green, floral, plaid, etc)

How quilt will be used:

(Everyday use, child, utility quilt, display, etc)

Quilt Top Measurements:

Example: 90" X 100" = 9,000 square inches

Measure width and length from the center of quilt top, not from the edges of your quilt. Quilt top edges can become distorted during the piecing process, the true width and length measurement will be from your centers.
